MEMORANDUM FOR THE RECORD

SUBJECT: Concurrence in Definitive Contract No. BB-475 with ITEK Laboratories, A Division of ITEK Corporation, Boston, Massachusetts, Project CORONA (PIC)

25X1A

25X1A

1. This memorandum contains a recommendation submitted for concurrence of the undersigned. Such recommendation is contained in Paragraph 5.

2. Contract No. BB-475 is a fixed-price-open-call type for procurement of spares in support of PIC for equipment previously procured under Contracts BB-300 and BB-375 with subject Contractor.

25X1A

3. Funding for Contract No. BB-475 should be obligated as follows:

Customer No. 1 NPIC Acct. 115-1010-7000
Customer No. 2 CORONA

25X1A
25X1A

By concurrence to this memorandum the Comptroller signifies that funds have been obligated as set forth above.

4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all covert expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(b) of Public Law 110, 81st Congress, (formerly 10(b) - see 85-507 dtd 7/7/58) for each contract.

5. Concurrence in Contract No. BB-475 is recommended.
